My new reference version of the Constitution By G in SC Just another copy of the many paperback ones that I have for quick reference, but as a hardcover. This is now my "go-to" reference book for that historical document. Constitution of the United States (Little Books of Wisdom) 4 of 4 people found the following review helpful. U.S. Constitution Book By bmonninger Overall, this is a really nice book due to the fact that it is both made to a very high quality and more importantly has a hard cover, instead of the paperback type that most of the other books of this nature have. As a result, I really enjoyed receiving this book mainly in part, because it is important to know how your country came to be, its history, and the documents that helped to establish our country as-a-whole especially when these documents contain our country's heart-and-soul per say. With that being said, this book is illustrated in a very detailed manner, which in-turn will allow both you and your family's future generations to enjoy the book along with its vital contents for many years to come. 0 of 0 people found the following review helpful. This is what we are... I am ... By Mary This is what we are... I am placing this book in multiple book sharing boxes in my neighborhoods. I'm hoping to start a grass roots movement to protect this document; you... and by tangent, me. I'm neither gay, liberal, Republican, Democrat, Tea Party or Socialist; I just believe we are all speakers to our united belief of freedom. This document covers it all with very little words. The last amendment was in the 90's; to limit our elected officials from profit without our agreement. Please... lets keep our core beliefs simple and spread the simple belief of freedom close and far.

The landmark legal document of the United States, the U.S. Constitution comprises the primary law of the Federal Government. Signed by the members of the Constitutional Convention in Philadelphia on September 17, 1787, the Constitution outlines the powers and responsibilities of the three chief branches of the Federal Government, as well as the basic rights of the citizens of the United States. This beautiful gift edition contains the complete text of the United States Constitution, as well as all of its amendments. It is a treasure for Americans of all ages.
