The Most Complete History of the B-36.By James G. AndersonThe Best

and most complete history of a great Cold War Aircraft0 of 0 people found the following review helpful. LOVE AIRPLANESBy mikeythereaderThis plane fascinates me, first I love airplanes and when I had a chance to see it at the Air Force Museum, it was even bigger than I thought and with those 6 backward turbo props...all I can say is WOW! Too bad it was outdated by the time it was flown.

Convair B-36: A Comprehensive History of Americas Big Stick is a collaborative effort edited and co-authored by Meyers Jacobsen exploring the history of one of SACs air giants, the six-engine Convair B-36. From the origins of the use of six engines on
