From Brand: Bison Books : Covered Wagon Women, Volume 2: Diaries and Letters from the Western Trails, 1850 (Coverd Wagon Women) before purchasing it in order to gage whether or not it would be worth my time, and all praised Covered Wagon Women, Volume 2: Diaries and Letters from the Western Trails, 1850 (Coverd Wagon

Women):

The women who traveled west in covered wagons during the 1840s speak through these letters and diaries. Here are the voices of Tamsen Donner and young Virginia Reed, members of the ill-fated Donner party; Patty Sessions, the Mormon midwife who delivered five babies on the trail between Omaha and Salt Lake City; Rachel Fisher, who buried both her husband and her little girl before reaching Oregon. Still others make themselves heard, starting out from different places and recording details along the way, from the mundane to the soul-shattering and spirit-lifting.
