Excellent illustrationsBy BlaineMy son and I love this series of book for getting paint scheme ideas for modeling. There are many full color side views along with black and white historical photos. It's a quick read, able to be completed in one afternoon.1 of 1 people found the following review helpful. P40 the HawkBy Hernani S. Oliveira FilhoA superb book with all the profiles that pictured the P40 series in second world war, excelente for modelists. The book follows the entire life of the model in use by the allies.

This book sums up the international career of the P-40: the Flying Tigers' favorite, one of the most famous fighters of WWII.
