From Longmeadow Pr : Deeds of Valor: How America's Civil War Heroes Won the Congressional Medal of Honor before purchasing it in order to gage whether or not it would be worth my time, and all praised Deeds of Valor: How America's Civil War Heroes Won the Congressional Medal of Honor:

1 of 1 people found the following review helpful. HistoricBy Gary L. ScottWritten in Victorian style, so the language is interesting. This edition is a reprint of the original 1912 book, so it's much closer to the time of the history it describes; some of the men were still alive at the time it was written. Fascinating, fast read, a keeper. Strictly the Union side. The Confederacy did not make personal awards during the war; some were done after it was over. So the Union bias of the battle descriptions is evident.0 of 0 people found the following review helpful. More than just the headlinesBy Rev TedT 24333Does not include all the recipients of the CMH during the Civil War but more than makes up for that with the rather complete description of each heroic event that is covered. It fills in a lot of the gaps left by other book. A valuable addition to my Civil War library.0 of 0 people found the following review helpful. Great book and enjoyed seeing a picture of my Greatx4 ...By Jennifer JGreat book and enjoyed seeing a picture of my Greatx4 Grandfather in it. It was exactly how described and shipping was super fast. Thank you! :)

Personal reminiscences and records of Civil War soldiers who were awarded the Congressional Medal of Honor.
