Shakil Choudhury : Deep Diversity: Overcoming Us vs. Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Deep Diversity: Overcoming Us vs. Them:

0 of 0 people found the following review helpful. I'm not finished yet, but already impressed with the ...By AnnieWaits I'm not finished yet, but already impressed with the self-reflection coupled with the analytical nature of this book. A must-read for anyone looking to expand diversity and inclusivity measures in their own communities and beyond.0 of 0 people found the following review helpful. You have better options.By HaFToo general a book on diversity. You have better options.0 of 1 people found the following review helpful. Excellent read for curious peopleBy Jessica K Miller Amazingly easy and insightful read. I saw this author present at WPC in April. He was engaging and so was this book. It explain so much for me, especially for someone dealing with a lot of sadness and guilt about how people treat others in this world. It's scientific and easily digesting explanations and narratives are a

gem.
