John S. Jackman : Diary of a Confederate Soldier: John S. Jackman of the Orphan Brigade before purchasing it in order to gauge whether or not it would be worth my time, and all praised Diary of a Confederate Soldier: John S. Jackman of the Orphan Brigade:

0 of 0 people found the following review helpful. Five Stars By kenneth e. dillingham Enjoyable informative reading. 0 of 0 people found the following review helpful. Interesting but difficult read By T Gilmore Good historical first person

Account0 of 0 people found the following review helpful. Five StarsBy CHRISTI L FITCHGreat book

This is the diary of John S. Jackman, a Confederate soldier in the Orphan Brigade, a regiment in Tennessee's 9th Kentucky Brigade which participated in most of the major Western campaigns of the American Civil War. Jackman served as a regimental clerk, and faithfully recorded his impressions.

From Library JournalThough memoirs of the Civil War abound, Jackman's diary is the only surviving record of a soldier in the fascinating, albeit troubled, First Kentucky Regiment, or "Orphan Brigade." A perceptive diarist, Jackman was involved in action from Shiloh to Vicksburg, from Baton Rouge through all major battles in Tennessee; he fought against Sherman in the March to the Sea and observed the last meeting of the fleeing Confederate cabinet in Washington, Georgia. Insightful, candid, and entertaining, Jackman's words provide an unusually detailed glimpse of life behind the lines in the Army of Tennessee, capturing the essence of common soldiering in the Rebel forces. Davis's introduction is solid and his editing unobtrusive. Recommended for libraries with extensive Civil War holdings and for interested Civil War buffs.- Jason H.
