SantiagoWell written book for its time, written from the perspective of a Confederate officer's wife during the Civil War in Virginia. The wealthy Southern plantation owners lost everything, not only their homes, but their way of life. Interesting read as this isn't told in history books, written in a journal format from Judith W. McGuire, wife of Capt. John Peyton McGuire.0 of 0 people found the following review helpful. "The Confederacy's woman diarists left us our best inside view on the daily life of the people of the South in wartime. They had the leisure to write, were deeply invested in the war effort, and afforded a more nuanced view than many men. Standing tall among those that have survived is Judith Brokenbrough McGuire's wonderful inside portrait of life in Richmond's middle class. Thanks to editor James I. Robertson's exhaustive annotations, her daily entries cast even more light now than before, transforming what has always been an important book into a vital foundational document on the inner life of the doomed Confederacy."?William C. Davis, author of *Lincoln's Men: How President Lincoln Became Father to an Army and a Nation*"Long valued by students of the Civil War, Judith McGuire's vivid account suffered from inadequate context?until now. At the hands of a master chronicler of the war, we now can read McGuire with fresh eyes and relive with her the hopes, tribulations, despondency, and endurance of a singular southern woman."?Nelson D. Lankford, editor of the *Virginia Magazine of History and Biography* and author of *Cry Havoc! The Crooked War to Civil War, 1861*"Erudite, devout and uncompromising in her loyalty and love of Virginia and the South, Judith Brokenbrough McGuire experienced the American Civil War early as a refugee from her home in Alexandria and remained true to the Confederacy until the close of the conflict. Ably edited and annotated by the distinguished author and historian, James I. Robertson Jr., McGuire's diary exhibits the dignity and poignancy with which she confronted the many challenges and travails thrust upon her amidst the maelstrom of war."?Brian Wills, Director, Civil War Center, Kennesaw State University"Her vivid account of life during the Civil War now includes vital details not given in the original text."?Southside SentinelAbout the AuthorJames I. Robertson Jr., Alumni Distinguished Professor Emeritus of History at Virginia Tech, is the author of *Stonewall Jackson: The Man, the Soldier, the Legend*.
