Dictionary of the Napoleonic Wars, author: David G.ChandlerBy 1898 MAUSERDictionary of the Napoleonic Wars by David G. Chandler: This book is exceptional, the research which has obviously been undertaken to produce this work is monumental and mind blowing -information explosion,and as a compilation is skillfully presented in an easy- to -read dictionary format.Includes battle maps,biographies, portraits of major personalities and all the battles and their campaigns with in detail narrative leaving nothing to the imagination. An essential and fascinating volume for the student of the turbulent era of the Napoleonic Wars-thoroughly recommended. Thank You Mr. Chandler.

A reference work on the Napoleonic Wars which covers all the important soldiers, sailors, strategies, armaments and battles that shaped Napoleon's career. Includes information on the campaigns led by Napoleon as well as related events such as the Peninsular War.
