Wayne Kirkbride : Dmz: A Story of the Panmunjom Axe Murder before purchasing it in order to gage whether or not it would be worth my time, and all praised Dmz: A Story of the Panmunjom Axe Murder:

1 of 1 people found the following review helpful. Great book. I was in Korea when the Axe ...By Steven G.TaylorGreat book. I was in Korea when the Axe Murders occurred. This book describes it somewhat as it really happened. Not all units involved are discussed in any detail. Overall it's a good recall of the incident.1 of 1 people found the following review helpful. lost histroyBy Youwishyouknewmy father was the medic involved in this situation (no mention of him by name in the book)that being said i did find reading this to shed some light on a long wondered about experience that has had such a rippled effect on my life.2 of 3 people found the following review helpful. DMZ: A Story of the Panmunjom Axe MurderBy JoyceBook arrived in a timely manner. However, the book did have a few pages torn out.
