**Peter Townsend : Duel of Eagles: The Greatest Book on the Batte of Britain Ever Written** before purchasing it in order to gage whether or not it would be worth my time, and all praised Duel of Eagles: The Greatest Book on the Batte of Britain Ever Written:

0 of 0 people found the following review helpful. The Author Was Well Placed to Know Whereof he spokeBy Customer Kathy Kingsbury RoesslerProbably the most authoritative book on the strategy on the Battle of Britain by

someone who wasn't just there but was well enough connected to know what was really going on. As most will recall he was very close to marrying Princess Margret, though that certainly wasn't Townsend's only credential. 1 of 1 people found the following review helpful. A great read. By William Densmore Thorough, well researched, authoritative, exciting. A great read. 1 of 1 people found the following review helpful. Terrific. Gripping By Lee Levin Terrific. Gripping. Even at this far removed time from the Battle of Britain, it leaves one tense as the battle unfolds to what was not in any way a predictable outcome.

Dogfights in the sky, ruthless political maneuvers, legendary heroes of the air like Richthofen (the "Red Baron") and Douglas Bader, this book combines all of these colorful, dramatic, and evocative accounts of the furious air conflicts that saved Britain from German invasion.
