**Francis F. McKinney : Education in Violence: The Life of George H. Thomas and the History of the Army of the Cumberland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Education in Violence: The Life of George H. Thomas and the History of the Army of the Cumberland:

1 of 2 people found the following review helpful. Five StarsBy Arthur HohmanAn excellent book in good condition0 of 2 people found the following review helpful. Wonderful SellerBy brooklynbetsyThis was an excellent DVD and I use it several times a week for to do yoga. It arrived very fast and can recoment both seller and product.15 of 22 people found the following review helpful. A Fitting but Flawed TributeBy Barry ListGeneral George H. Thomas deserves recognition not only for his bravery in Civil War battle but also for his brave choice to fight for the Union despite his Virginia birth. Education in Violence grants this recognition, but with a shortage of style. Francis F. McKinney's prose is often wooden and he is short on drama - his long, droning passages sometimes fail to give a sense of a battle as a whole or its significance. He doesn't answer the great question of why Thomas remained with the Union while fellow Virginians like Robert E. Lee and Joe Johnston went over to the rebel side. There is also a transparent partisanship here: Thomas and Grant were at odds, and there is no doubt which side this book favors. A recent book, The Warrior Generals by Thomas B. Buell, does a better job explaining Thomas's superb organizational abilities, his mastery at using maps in battle, and his grasp of how the technological advances of his day could tip the tide in battle. Read Education in Violence as a good source book on the General that is entirely devoted to the subject

but limited in style.

Biography, Civil war. Edition not noted. Maroon cloth covers very nice. Dust jacket rubbed and sunned, spine panel tanned, some soil. Gift inscription on the first endpaper, tiny black spots on the endpapers, otherwise the interior is clean and tight. Folded map in pocket inside the rear pocket good, one edge tanned.
