Kevin J. Dougherty : Encyclopedia of the Confederacy before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of the Confederacy:

0 of 0 people found the following review helpful. Great addition to our libraryBy EmilyI ordered this book for my civil war fanatic, husband for Christmas. He loved it and I have to say, so do I. Wonderful illustrations and tons of knowledge to gain on the Confederacy.0 of 0 people found the following review helpful. it is a very informative book and filled with great photographs. Thank youBy Ron in NCFfor the price and condition of this encyclopedia I was thrilled! it is a very informative book and filled with great photographs. Thank you.4 of 5 people found the following review helpful. Awesome!!! :DBy Elizabeth M Came in the mail on first estimated delivery day. It was clearly new, it even had the new smell. Pages were crispy clean and new. The book has everything on every aspect from the confederacy side of the civil war. My husband LOVES this book. And its a great find. This book at barnsnoble was

80dollars. The book came solded in plastic.

Though it existed for just four years, the Confederate States of America had a long-lasting impact on the history of the United States. From the Confederacy's inception in 1861 to the conclusion of the American Civil War in 1865, the Encyclopedia of the Confederacy offers a comprehensive A-to-Z examination of the Confederacy's key people, places, and battles. From the Battle at Fort Sumpter in 1861 to the Surrender at Appomattox in 1865, readers will get a thorough overview of the history of the Confederacy and the American Civil War. Meet fascinating Confederates, including President Jefferson Davis, General Robert E. Lee, and Lincoln's infamous assassin, John Wilkes Booth. Experience the bloodiest battles ever fought on U.S. soil, and learn about the military leaders who led their forces to victory — and defeat. Beautifully illustrated, this book boasts more than 300 archival photographs, detailed works of art, maps, and historic reproductions, including original Confederate notes and bonds.

About the AuthorKevin J. Dougherty is an instructor in the Department of History at the University of Southern Mississippi, where he teaches world civilization and military history. He is a retired Army officer and the author of several titles on the Civil War, including (with Jason Stewart) the Timeline of Civil War. He lives in Hattiesburg, MS.
