The Usual Gang Of Idiots : EPIC MAD before purchasing it in order to gage whether or not it would be worth my time, and all praised EPIC MAD:

Perfect for MAD loving kidsBy Heather CullinI bought this for my 9 and 12 year old boys who are both reluctant readers. They are big fans of the MAD show on Cartoon Network. We had order a few of the older MAD books but there was a lot of inappropriate things in them. This series with the CN logo on the front is definitely slightly more tame but still inappropriate enough to be funny for them. It has definitely gotten them to enjoy reading more and we have since ordered some more to get through the summer!0 of 0 people found the following review helpful. Five StarsBy William JacobsBest satire magazine! Mad magazine fans will enjoy it!

Every once in a while, a truly funny book comes along. Until that time, here's EPIC MAD! Ripped from the pages of the magazine that inspired the hit Cartoon Network show, this new collection features some of the oddest, stupidest and most ridiculous MAD articles ever!

About the AuthorMAD is the world's leading magazine of humor and satire (at least according to the staff). For over fifty years, MAD has been a cultural touchstone, publishing twisted comedy from the truly disturbed minds of its many contributors, the Usual Gang of Idiots. This rag-tag crew of social misfits has traditionally been overworked, underpaid and, thankfully, not internet-savvy enough to read the insults we post about them online!
