Steve Hyslop : Eyewitness to the Civil War: The Complete History from Secession to Reconstruction before purchasing it in order to gage whether or not it would be worth my time, and all praised Eyewitness to the Civil War: The Complete History from Secession to Reconstruction:

1 of 1 people found the following review helpful. Great price excellent shapeBy Virgil DolleyI had previously found 'Eyewitness to World War 2' and when I found this item, I knew I had to get it. Great price excellent shape!0 of 0 people found the following review helpful. Thanks to the sender for such good care in how it was packagedBy Eileen FioreTruly a very impressive book. Everything you wanted to know about the Civil War and more. Our family is crazy over this book. Thanks to the sender for such good care in how it was packaged.0 of 0 people found the following review helpful. All itemsBy CustomerOverall everything great

At once an informed overview for general-interest readers and a superb resource for serious buffs, this extraordinary,

gloriously illustrated volume is sure to become one of the fundamental books in any Civil War library. Its features include a dramatic narrative packed with eyewitness accounts and hundreds of rare photographs, artifacts, and period illustrations. Evocative sidebars, detailed maps, and timelines add to the reference-ready quality of the text. From John Brown's raid to Reconstruction, *Eyewitness to the Civil War* presents a clear, comprehensive discussion that addresses every military, political, and social aspect of this crucial period. In-depth descriptions of campaigns and battles in all theaters of war are accompanied by a thorough evaluation of the nonmilitary elements of the struggle between North and South. In their own words, commanders and common soldiers in both armies tell of life on the battlefield and behind the lines, while letters from wives, mothers, and sisters provide a portrait of the home front. More than 375 historical photographs, portraits, and artifacts—many never before published—evoke the era's flavor; and detailed maps of terrain and troop movements make it easy to follow the strategies and tactics of Union and Confederate generals as they fought through four harsh years of war. Photoessays on topics ranging from the everyday lives of soldiers to the dramatic escapades of the cavalry lend a breathtaking you-are-there feeling, and an inclusive appendix adds even more detail to what is already a magnificently meticulous history.

About the Author Neil Kagan, editor, heads Kagan Associates Inc., a firm specializing in innovative illustrated books, and is the guiding spirit behind numerous book series including *Voices of the Civil War* and *Our American Century*. Recently he edited *Great Battles of the Civil War*, *Great Photographs of the Civil War*, and *National Geographic Concise History of the World*. He lives in Falls Church, Virginia. Stephen G. Hyslop is a writer and editor of books on American and world history, including *National Geographic Almanac of World History* (with Patricia Daniels).
