Warren Thompson : F-51 Mustang Units over Korea (Osprey Frontline Colour 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised F-51 Mustang Units over Korea (Osprey Frontline Colour 1):

0 of 0 people found the following review helpful. Kodachrome - how we miss you!By BonusBallWell researched text and plenty of pics make this one a keeper. Also, the anectodes from pilots flying in the various units profiled make this Osprey production well worth the price. I keep this one next to my copy of the movie "Battle Hymn" which is a slightly fictionalized account of Col. Dean Hess in Korea. Fittingly, filmed about the time (1957) the Mustang was going out of service with the U.S.A.F.0 of 0 people found the following review helpful. Five StarsBy MonteAn excellent book with plenty of period color photos. A nice reference for the modeler.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerVery informative, and very helpful in research for my model building.

Illustrates all the users of the F-51/RF-51 Mustang during the Korean war in contemporary colour. Accompanying the photos in this volume are detailed captions, quotes from pilots in action and appendices listing the various units that served in Korea.

From the Publisher These histories of classic military aircraft showcase the best in privately owned contemporary photography, supported by scale drawings, cutaways, comprehensive text and a wealth of first hand accounts. About the Author Warren Thompson has been an avid military aviation historian and editor for over 40 years and his personal reference collection includes thousands of photos and detailed interviews with over 2,000 pilots and aircrew members. He has had 25 books published including three books on the Korean War for Osprey. His book Korean War Aces in the Aircraft of the Aces series was a bestseller.
