Five Stars By Peter B Walton anything of Gaëtan Marie is always 5star!! especially the color profiles are wonderful 1 of 1 people found the following review helpful. What a great book! By Tripol'e This book is much better than expected. It is a must have for anyone who flew the last of the fighters. It was hard to fly, but fun to fly. This book keeps the memories alive.

Digital artist Gaëtan Marie presents an illustrated history of the F-8 Crusader, the "Last of the Gunfighters", containing over a 110 highly detailed F-8 and RF-8 Crusader profile drawings, including aircraft from the US Navy, US Marine Corps, France's Aéronavale, the Philippine Air Force and civilian operators. All profile drawings are based on thorough research and great attention to detail, making the book an excellent reference source for modelers and enthusiasts alike.

About the Author Born in 1981, Gaëtan Marie is a Franco-American digital artist specialized in highly detailed drawings of aircraft of various countries and periods.
