Arthur W. Wilson, Norman L. Strickbine : Faces of War II - Red Dragon before purchasing it in order to gage whether or not it would be worth my time, and all praised Faces of War II - Red Dragon:

A stockpile of photos and recounts of the Korean War from it's veteransBy JustinFaces of War II is full of photographs, vignettes, poetry, and stories of the Korean War, taken from Korean War veterans themselves. It's not a book you'll read in one sitting, but more of the kind you keep on the coffee table to pick up over and over again. The recounts project the bravery, selflessness, patriotism, happiness, and sorrow of our armed forces in action. I have a great deal more respect for our veterans after reading this book.
