Charles Woolley : Feldgrau 1915-16: The War and Peace Time Uniforms of the German Army - The Official Regulations of 1915-1916 before purchasing it in order to gage whether or not it would be worth my time, and all praised Feldgrau 1915-16: The War and Peace Time Uniforms of the German Army - The Official Regulations of 1915-1916:

1 of 1 people found the following review helpful. Superb book By Cristiano Campos Very good book, a lot of information and the entire description of german army uniform regulations created in 21 september 1915 who introduced german "Bluse" uniform and other modifications. the book only fails to not have the final part of the original book that describes rank insignia regalia and other badges. I got the third party buying from another source.

From 1907-15 the uniforms of the German Army went through dramatic changes when Prussian blue was transformed into the new 'feldgrau', or field gray. The next change came in 1915 with the introduction of the new field gray wartime and peacetime uniforms. This volume combines three period volumes and each is illustrated in color and refer only to the 1915 wartime and peacetime uniforms: 1. Deutschlands Arme in feldgrauer Kriegs-und-Friedens-Uniform; 2. Feldgrau in Krieg und Frieden, Berlin 1916; 3. Die Feldgrau Friedens-und Kriegs-Bekleidung der K. Bayerischen Arme, Munich 1916.
