**Dr. Donovan E. Case : History Of African American Assemblies in U.S.: Including Caribbean American Assemblies**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *History Of African American Assemblies in U.S.: Including Caribbean American Assemblies*:

0 of 0 people found the following review helpful. Case has put a great deal of work in this volume  
By Richard B. Berry  
Case has put a great deal of work in this volume. I don't know if anyone has ever made an attempt to do the research that it takes. I recommend it to anyone who desires to know the history of this movement, particularly highlighting the black community

By kaiservant  
Informative, useful to a rather select few.  
0 of 0 people found the following review helpful. Yes We can keep it going.  
By Carmen E Anderson-Harris  
It is nice to see how it was and where we have come and hopefully where we plan to take this information

This book seeks to tell the stories of how God worked through immigrants from the Caribbean Islands who came to Harlem New York around 1900, and what these brave souls did to spread the Good News among themselves and the African American communities.
