Nelson A. Pinney : History of the 104th Regiment Ohio Volunteer Infantry: From 1862 to 1865 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised History of the 104th Regiment Ohio Volunteer Infantry: From 1862 to 1865 (Classic Reprint):

1 of 1 people found the following review helpful. Wealth of information--but not perfectBy ectasiaAccording to the publisher, they can take darn near any book every printed and run it through a computer system that "reads" the book,

turns its pages and sends everything through the computer system to be printed, bound and published. This allows this publisher to provide copies of perhaps ever book ever written, but no human ever reviews what the computer "thinks" it sees printed in the original book---that results in numerous non-sense words, letters, phrases etc. So it's a two edge sword, but a special, century-out-print book, even with typos is invaluable...the 104th OVI was my GG Grandfather's unit during the Civil War, and even with a numerous typos, the book was priceless---the seller would be rated a 5 star---because of the inheritant typos, the book would be a 4 star.0 of 0 people found the following review helpful. Very poor qualityBy ClemAs one of the other reviewers said, this is barely readable. They shouldn't be charging money for this. Extremely disappointed. It is much worse than the preview shows. The only reason we have this is because one of my ancestors is mentioned in it. If it wasn't for that, I would be demanding my money back.1 of 1 people found the following review helpful. Poor copy of original publicationBy R. DillThis copy of the original was hardly readable; the print so faint and low contrast that is was difficult to read. I wrote the publisher but have had no response. I am disappointed.

Excerpt from History of the 104th Regiment Ohio Volunteer Infantry: From 1862 to 1865Reminiscences of the Rebellion, with all the incidents personal to myself, and not of an historical character, carefully expunged from the work. Besides this I have tried to get as full and complete a roster of officers of the regiment and of officers and soldiers of each and every company as is now possible. Well knowing that this fails to give all there was of interest in the services of the 104th, my only apology will be that I have tried to give a full and fair account of every incident of the regiment's history, and that wherein I may have failed has been due to a lack of knowledge.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
