Thomas D. Marbaker : History of the Eleventh New Jersey Volunteers before purchasing it in order to gauge whether or not it would be worth my time, and all praised History of the Eleventh New Jersey Volunteers:

0 of 0 people found the following review helpful. Excellent for descendants of the men who fought in the regiment. By KCI ordered this book, the memoir of a young officer, because three ancestors fought in the regiment. It was fascinating to read details about their service which helped make them "real people" for me. That said, I'm not sure many people would feel as I do, in spite of its being written by one who was there. The regiment served very near my home. The writer mentions the two brothers and their cousin. Those two factors caused me to feel quite emotional. The book is a bit tedious and the writer seemed to congratulate himself too much for his accomplishments. If you're interested in his observations of the Southern culture and the daily lives of the soldiers along with battle descriptions you may not mind his style.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of

a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
