Gerald R. Kleinfeld, Lewis Tambs : Hitler's Spanish Legion: The Blue Division in Russia in WWII (Stackpole Military History Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hitler's Spanish Legion: The Blue Division in Russia in WWII (Stackpole Military History Series):

15 of 17 people found the following review helpful. Best Source for History of the Spanish as German Allies on the Russian Front
By 338Lapua
Just got the book yesterday and just finished Chapter 5; its hard to put down! If you have a historical interest in Franco's Spanish volunteers fighting in Russia in WW2, you can't find a better source. The 2 authors' detail in names and places, complete with area maps, can't be beat. How they were respected by their German allies fighting to their flanks and their gallant reputation as close quarters fighters is consistently supported with specific facts, especially around the Leningrad front.

Regular!!
11 of 14 people found the following review helpful. Excellent coverage
By Scott Bailey
Another book detailing a little know part of WWII. This book describes the very beginning of this formation the reason why and the composition of this formation. The leaders are covered and the many battle that this formation participated in. Great read on this division and its sister formation that became. In action all the time on the eastern front. New insight into this formation and great fighting abilities.

Classic story of the 47,000 Spaniards who fought for the Third Reich in World War II. Vivid chronicle of the division of Spanish volunteers who battled the Soviets on the Eastern Front
Centerpiece of their service was the Siege of Leningrad, which is covered in depth here
Details on how Spanish dictator Francisco Franco negotiated his countrymen's participation
