She was intelligent, compassionate and wise.I have been involved with the Family Genealogy. My ancestors came to Washington, MO about the same time Jette's family arrived in Westphalia. Life was hard for the early immigrants. I don't know how Jette gave up her

life of privilege to please her husband. Her letters are priceless. I am totally involved in this book. 0 of 0 people found the following review helpful. Very interesting book. By SassySassy1 Bought this book almost two years ago and discovered that Jette is one of my ancestors. Thanks to this writing I was able to unravel more of my genealogical history.
