Awesomely Informative??By CustomerAgain Demetric Muhammad has managed to compile the writings of the Teacher The Honorable Elijah Muhammad with his foremost student the Honorable Min Louis Farrakhan ... this time for a clear guide to those seeing the need to develop a self policing force within the Black and Hispanic communities.... Clearly written with methods for immediate use ...Police Commissioners in Urban Cities should/ could take a close look into this book and save themselves from the rising tide of Protest due to insensitive policies .....0 of 0 people found the following review helpful.
