Charles Windolph : I Fought With Custer: The Story of Sergeant Windolph, Last Survivor of the Battle of the Little Big Horn before purchasing it in order to gage whether or not it would be worth my time, and all praised I Fought With Custer: The Story of Sergeant Windolph, Last Survivor of the Battle of the Little Big Horn:

0 of 0 people found the following review helpful. Good but there's a much better book availableBy DHWilliam O Taylor's book is far more detailed as he was in the fight with Major Reno. And is the 5 star book you want to read.This book is good but pales in comparison to the Taylor book, also available on 1 of 1 people found the following review helpful. BEST BOOK ON CUSTER I HAVE READBy cliff stanichONE OF THE MOST INTERESTING BOOKS ON CUSTER I HAVE READ. YOU FEEL LIKE YOU ARE RIDING ALONG SIDE GENERAL CUSTER. MR WINDOLPH WAS VERY HONEST IN HIS DECRPTION OF THE DIFFERENT SITUATIONS THEY WERE IN. NOT ALWAYS TO THE FAVOR OF CUSTER.0 of 0 people found the following review helpful. Five StarsBy owen b kelloggvery good

Sergeant Charles Windolph was the last white survivor of the Battle of the Little Big Horn when he described it nearly seventy years later. A six-year veteran of the Seventh Cavalry, Windolph fought in Benteens troop on that fatal Sunday and recalls in vivid detail the battle that wiped out Custers command. Equally vivid is the evidence marshaled by Frazier and Robert Hunt on events leading up to the battle and on the investigation that followed.

About the AuthorIn a new foreword to the Bison Book edition, Neil Mangum, historian at the Custer Battlefield National Monument, discusses Windolph's contribution to the Custer literature.
