**Mrs. Catherine McGrew Jaime : Illustrating History: Benjamin Banneker** before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrating History: Benjamin Banneker:

The newest in our "Illustrating History" series. A great way to introduce your students to an amazing African American scientist of the 18th century - the book gives the basics of Banneker's life and room for students to illustrate

as they learn.
