From Brand: State University of New York Press : Immigrant Women (Suny Series in Ethnicity and Race in American Life) (Suny Series, Ethnicity Race in American Life) before purchasing it in order to gage whether or not it would be worth my time, and all praised Immigrant Women (Suny Series in Ethnicity and Race in American Life) (Suny Series, Ethnicity Race in American Life):

0 of 0 people found the following review helpful. Five StarsBy SUSAN HERNANDEZGreat condition!

Immigrant Women combines memoirs, diaries, oral history, and fiction to present an authentic and emotionally compelling record of women's struggles to build new lives in a new land. This new edition has been expanded to include additional material on recent Asian and Hispanic immigration and an updated bibliography.

This book is a collection of first-hand accounts of the experiences and conditions surrounding the emigration of women from other countries to the United States during the nineteenth and twentieth centuries. This first-hand narrative format engages the reader and opens up a world of events and encounters that I have not found in any other collection. The book is full of information and insights into the lives of women emigrating from many countries, including the struggles of unmarried Bohemian women as they successfully strive for social acceptance as single parents, and the frightening experiences of Golda Meir as a child leaving Czarist Russia in 1906. It is an excellent work whose narrative, story-telling nature makes it interesting to read. Joan K. Smith, Loyola University""This book is a collection of first-hand accounts of the experiences and conditions surrounding the emigration of women from other countries to the United States during the nineteenth and twentieth centuries.
