Abel A. Bartley : **In No Ways Tired: The NAACP's Struggle to Integrate the Duval County Public School System** before purchasing it in order to gage whether or not it would be worth my time, and all praised In No Ways Tired: The NAACP's Struggle to Integrate the Duval County Public School System:

Abel Bartley's new book *In No Ways Tired* is both the unique story of a particular Florida community's struggle with the integration of public schools, and a reflection of similar experiences throughout the South where desegregation 'with all deliberate speed' took decades to achieve.
