needed this for, so now I have a bunch of Hitler books I don't need, but no complaints against the service from .0 of 0 people found the following review helpful. Good conditionBy Phil ToppingGreat price and saved money with getting my book renting problem solved, so I'm happy to have the books returned0 of 0 people found the following review helpful. great!By rahh92I needed this book for uni and it is actually quite good. Easy to follow and has all the essential information.

A synthetic approach combining political, social, and ideological texts offers students a wide perspective on life in Hitler's Germany. Unit I considers the political history of Germany from 1918 to 1938; Unit II focuses upon National Socialist ideology and the dictatorship of 1938-1945; Unit III considers Nazi power in its police and military forms.
