**John W. Hinds : Invasion and Conquest of North Carolina: Anatomy of a Gunboat War** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Invasion and Conquest of North Carolina: Anatomy of a Gunboat War:

5 of 5 people found the following review helpful. Must Read! By dclark4@bellsouth.net Invasion Conquest of North Carolina is an excellent example of what a well-researched CW history should be. Through the use of actual letters

written to friends and relatives, both before and during the early war years, the main character of this book, Lt. Flusser (USN) becomes a real person. The lieutenants 'Letters to Mama' give the reader a feeling of being at the scene of the action that the usual references of date place cannot possibly impart. I highly recommend 'Invasion' to all who are interested in the gunboat war, North Carolina, or just the Civil War in general. This is a readable book that contains the type of information not normally found in other CW books that I have read. Dave Clark Mt. Holly NC 0 of 0 people found the following review helpful. Most Interesting book By GS For non experts on the Civil War, it is a fascinating read. Kind of amazing what ingenuity was used by the forces. Certainly added to my appreciation of the players. Well written and documented.

Book by Hinds, John W.
