Robert Sumrall, Thomas Walkowiak : Iowa Class Battleships: Their Design, Weapons and Equipment before purchasing it in order to gauge whether or not it would be worth my time, and all praised Iowa Class Battleships: Their Design, Weapons and Equipment:

0 of 0 people found the following review helpful. The Big Boys Revealed By Customer Technical but very informative...history plus technology

This volume is a compilation of technical data on the four ships of the Iowa class and a study of the design changes and construction processes of the two ships that were cancelled. It also charts the careers of the "Iowa", "New Jersey", "Wisconsin" and "Missouri" from inception to 2002.
