Craig L. Dunn : IRON MEN, IRON WILL: The Nineteenth Indiana Regiment of the Iron Brigade before purchasing it in order to gage whether or not it would be worth my time, and all praised IRON MEN, IRON WILL: The Nineteenth Indiana Regiment of the Iron Brigade:

0 of 0 people found the following review helpful. ThanksBy Gordon MilesGreat book good for everyone. Thanks0 of 1 people found the following review helpful. Three StarsBy Judy LaymanIt was bought because my great grandfather was mentioned in it.4 of 4 people found the following review helpful. A comprehensive look at the 19th!By Todd E. NewmanIt is difficult finding books that cover single regiments with solid information that only pertains to the unit itself sometimes. Author Craig Dunn has put together a very comprehensive book that covers the birth of the 19th Indiana to final muster in 1865. I liked the fact that Dunn didn't dwell on only officers but brought the private soldier to life as short biographies and the details of their involvement were written about. Dunn covers early exhaustive marches, campaigns, camp life, politics and explains the many personalities within the 19th. Dunn backs his material up well with references and also many statistics are added that enhance this book tremendously. This book serves as a great resource tool in learning about the hard fighting 19th and I recommend it to many interested in learning about the tough regiment of the famous Iron Brigade.

An American Civil War history.
