Paul Clancy : Ironclad: The Epic Battle, Calamitous Loss and Historic Recovery of the USS Monitor before purchasing it in order to gage whether or not it would be worth my time, and all praised Ironclad: The Epic Battle, Calamitous Loss and Historic Recovery of the USS Monitor:

0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent book0 of 0 people found the following review helpful. Excellent Book on an Incredible Series of EventsBy Rick D. HuffExcellent book if you're

into details on the history of this historical warship and its design, battle and crew. It is especially great if you're interested in diving, under water salvage operations, forensics, and military custom and protocol when bringing them home is the mission. This book has it all and I highly recommend it. 0 of 0 people found the following review helpful. Five Stars
By LOWELL THOMAS JUST WHAT I WANTED.....LT

The small, ungainly iron ship may have saved the union. Then in a vicious winter storm, it plunged into the depths of the Atlantic, seemingly lost forever. One hundred and forty years later, after a search and recovery mission, its ponderous iron turret reemerged, dripping, from a rusting grave, returning priceless bits of history. In *Ironclad*, journalist Paul Clancy weaves three great sea adventures into a single mesmerizing tale of life and death. Naval heroism, the cold heart of battle, a killing storm, deep water salvage, flesh and blood history—*Ironclad* has it all.

“Paul Clancy’s masterful investigation into the recovery of the Monitor is a thrilling re-creation, making for a satisfying story of men—and women—on the high seas.”—Peter Nichols, author, *A Voyage for Madmen and Evolution’s Captain*
