Douglas J. Savage : Ironclads and Blockades (Uhc) (Untold History of the Civil War) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ironclads and Blockades (Uhc) (Untold History of the Civil War):

From School Library JournalGrade 5-9-Accessible snapshots of Civil War history. If not precisely "untold," their topics are generally treated only briefly in works devoted to this period. Each volume is arranged in a series of short chapters that focus on specific aspects of the main theme, such as "Blockades and Blockade-Runners," "Prisoners of the Yankees," and "Nurses of the Battlefields." The attractively packaged books are packed with relevant black-and-white photographs and reproductions. Identical maps and chronologies appear in each title, but glossaries and lists of
