I have now started reading Stonewall Jackson It is very good so far. I have not received my book on Wade Hampton yet!!! I hope it will come soon Thanks, Tommy Hunt2 of 2 people found the following review helpful. Good history of J.E.B. StuartBy Tom BetzI am interested in Gen. Stuart's early military career and found this to be a good start. The book gives one a good base on what Stuart's life was from his

birth to his death. 0 of 0 people found the following review helpful. Five Stars By Jeffery W Lofton great

From the author of *They Called Him Stonewall*. Definitive biography of the dashing Confederate general is history at its best: fascinating, colorful, provocative. Includes portraits of Stuart's early life, training at West Point, the fateful decision to side with the South and action-packed battle scenes. 7 maps. 8 pages of photos. 470 pages.

"The narrative is excellent . . . This sympathetic and carefully researched work belongs in every Civil War collection." --Library Journal (Audiobook narrator) Barrett Whitener[s] voice generates the narrative and wraps deliciously around each of the players. General Lee speaks with courtly ease and Stuart with boyish energy as the laconic Jackson moves across Virginia." --AudioFile From the Publisher 11 1.5-hour cassettes From the Inside Flap From the author of *They Called Him Stonewall*.
