Leslie Jensen : Johnny Reb: The Uniform of the Confederate Army, 1861-1865 (G.I. Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Johnny Reb: The Uniform of the Confederate Army, 1861-1865 (G.I. Series):

7 of 7 people found the following review helpful. Johnny Reb : The Uniform of the Confederate Army, 1861-1865By A CustomerLes Jensen well known from his series of articles relating to Confederate uniforms in the Journal of the Company of Military Historians provides an excellent overview of the uniforms of the Confederate soldier. Using often over looked issue records he lifts the veil on obscure facts relating the to the Confederate soldier's clothing and issues. His work dealing with the little understood Columbus Depot pattern is a real eye opener. Great detail is shown

of the existing examples. He does not stop there, great photos and facts regarding the Richmond Arsenal issues are included in this work. I highly recommend this book to the Civil War historian, collector or reenactor. For the money it is one of the best references available.0 of 0 people found the following review helpful. Great PublicationBy Michael WilsonThis is a excellent book regarding uniforms of the Confederate soldier. Well illustrated with period photographs regarding the evolution of the uniforms of the Eastern and Western theatres of the Civil War. I highly recommend this well written book. A must for any Civil War Student/Historian library.19 of 20 people found the following review helpful. A history of the United States Army during the time it served as the vanguard of western expansion and a description of its uniforms and equipment in the late nineteenth century. Each volume in this ongoing series combines detailed and informative captions with over 100 rare and unusual images. These books are a must for anyone interested in American military uniforms.
