### A. G. Smith : Johnny the Confederate Soldier: With 27 Stickers (Dover Little Activity Books Paper Dolls)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Johnny the Confederate Soldier: With 27 Stickers (Dover Little Activity Books Paper Dolls):

It is a great filler item, and that is why I got it, with the idea that my son has recently shown interest in the Confederate uniforms. The book is very small, and just a few pages. There's no text, only stickers, which, thankfully, are able to be used repeatedly.I'm using this as part of a unit study on the civil war. For educational use, in my opinion, it really needs to

be paired with an explanation of the uniforms. I am pairing it with Joy Hakim's History of US, Book 6, War, Terrible War, and Eyewitness: Civil War, and a trip to a Battlefield Memorial.0 of 0 people found the following review helpful. Very smallBy M. HeissFun for little hands. Like paper dolls for boys.1 of 1 people found the following review helpful. Three StarsBy Denise EdingtonDisappointed that the doll have to be cut out instead of punched out.

Johnny has four different uniforms that were worn by Confederate soldiers and officers for various states — plus the weapons used by the army, and the gear the men needed for eating, drinking, and sleeping outdoors.Remove the stickers and put them on the doll on the inside back cover. The stickers can be used many times. Just put them back in their places on the pages after you use them, so they will be ready next time.
