From Naval and Military Press : The Military General Service Roll 1793-1814 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Military General Service Roll 1793-1814:

Based on almost a lifetime of study, this monumental work lists all recipients of the Military General Service Medal by regiment, giving their entitlement to the many bars awarded. It cross-references recipients with the Waterloo, Army of India, NGS and R
