before purchasing it in order to gage whether or not it would be worth my time, and all praised The Most Monstrous of Wars: The Napoleonic Guerrilla War in Southern Italy, 1806-1811:

The Most Monstrous of Wars recounts the unprecedented brutality that turned the seemingly simple task of subduing a remote Italian province into one of the most grisly, demoralizing struggles Napoleon ever encountered. In the first full length study of the Calabrian War, Milton Finley depicts the conflict - in all its gory detail - as a turning point in the Napoleonic wars and as the prototype for twentieth-century guerilla warfare.
