J Wilkinson : The narrative of a blockade-runner (Collector's library of the Civil War) before purchasing it in order to gage whether or not it would be worth my time, and all praised The narrative of a blockade-runner (Collector's library of the Civil War):

0 of 0 people found the following review helpful. Very Pleased with this purchaseBy William ClementsVery Pleased with this purchase. The book is in near perfect condition. It arrived in a timely manner and everything went fine.0 of 0 people found the following review helpful. The book contains the exploits of a Confederate Naval officer ...By RICHARD KUREKThe book contains the exploits of a Confederate Naval officer and his participation in several Naval engagements. It is very interesting to get the perspective of the Civil war Naval battles from the Confederate point of view.1 of 1 people found the following review helpful. Fascinating account of blockade runningBy IpyThis memoirs is well written and very exciting. It contains a great deal of information regarding blockade running, as well as other interesting events from the perspective of a confederate naval officer. One of the more unique moments is the authors participation in the aborted raid from Canada on a Great Lakes POW camp. High drama sea chases and nautical details abound. Highly recommended.

The Narrative of a Blockade-Runner is presented here in a high quality paperback edition. This popular classic work by John Wilkinson is in the English language, and may not include graphics or images from the original edition. If you

enjoy the works of John Wilkinson then we highly recommend this publication for your book collection.
