NA NA : The National Army Museum Book of Wellington's Armies: Britain's Campaigns in the Peninsula and at Waterloo, 1808-15 before purchasing it in order to gage whether or not it would be worth my time, and all praised The National Army Museum Book of Wellington's Armies: Britain's Campaigns in the Peninsula and at Waterloo, 1808-15:

1 of 1 people found the following review helpful. Well researched by an experienced author. Good addition to my collection.By James H.The author has clearly done a great deal of reading within the museum's archives and has selected some particularly useful extracts of documents and letters that really bring the war alive and stress the human issues involved in the conflict.

This volume weaves together unpublished accounts from The National Army Museum's archive to give a comprehensive picture of Wellington's campaigns in the Iberian Peninsula and at Waterloo.

About the AuthorAndrew Uffindell is the author of five books on the Napoleonic era.
