Sun Tzu : The Only Award-Winning English Translation of Sun Tzu's The Art of War: More Complete and More Accurate before purchasing it in order to gage whether or not it would be worth my time, and all praised The Only Award-Winning English Translation of Sun Tzu's The Art of War: More Complete and More Accurate:

405 of 418 people found the following review helpful. It is a book meant for good.By CustomerI want to tell future

readers of this book in this way. I read it first when I was 14 or 15. I thought it was a book on how to smartly fight a war. Then I re-read it when I was 28 and it occurred to me that it may be an instruction book on how to navigate an honorable life. Years passed and I recently found it at the bottom of a box in my closet. I read it again at age 56. I realized it has more to offer. If you read this book, you will actively have to replace Sun Tzu's ancient terms and placement of hierarchy and apply them to modern situations and people. Family, bosses, neighbors, employees and the list goes on. It is my belief that this "manual" can help solve minor and major disruptions in life if used correctly. It is a book meant for good. 0 of 0 people found the following review helpful. Success through the ages By Rita C. Flipping through it I glean bits and pieces of an organized mind. I can easily understand why this book has existed for more than 2000 years. My intention is to read it a little at a time so that I absorb some of the philosophy. I am not interested in war but I am interested in how men think and plan, this should be an excellent guidebook. 2 of 2 people found the following review helpful. Good By Unknown Outlines Sun Tzu in plain English. Highly recommended.

The only translation that shows the original Chinese with a transliteration of each character side-by-side with the English sentence translation. Includes a glossary explaining Sun Tzu's definitions of the key Chinese concepts. There are many translations of The Art of War, but this is only truly accurate version written by America's leading expert on Sun Tzu's system. Winner of the Independent Publishers Book Award for the best Multicultural Nonfiction book of the year! Seven Ways Better Than All Other Translations! 1. More complete: Based on the complete compilation of all historical sources and academic research rather than on traditional fragmentary sources. 2. More accurate: Shows the original Chinese phrases (thousands of characters), individually translates each character (a transliteration), translates each phrase into an English sentence, and provides details of the key concepts that cannot be translated. 3. More concise: Its side-by-side format makes it impossible to add or subtract from the Chinese source or secretly add the translator's editorial opinions. All commentaries are clearly separated from the translation and text. 4. More authoritative: Translated by America's leading expert on Sun Tzu, who has written over two dozen books explaining the strategic concepts in the text. 5. More consistent: Eliminates the imprecise word choices that create the obvious internal contradictions so common in most other translations. 6. More balanced: Offers one English sentence for each Chinese phrase to preserve the balance of ideas in the original work. 7. More organized: Retains and numbers the original phrase groups to preserve the contextual relationships for easy study. You can compare this version to other translations and immediately see where other English translations depart from the original Chinese into the translators' own opinions and commentaries. This version won the award not just for being the best translation or the best book about Asian philosophy, but the best of all books in 2003 explaining another culture anywhere in the world. Reviews "Supremely Accurate bilingual edition...Each two-page spread features the translated lines into English on one side and the Chinese ideograms with their meanings on the other so that dedicated readers can readily understand the range of meaning in the original text...The definitive version of The Art of War for those English speakers who truly want to understand it..." June 2003, Wisconsin Bookwatch "The Best...internally consistent between the translated concepts and so shows a level of knowledge and detail that is not present in some other translations. As a translator, the author obviously sees the big picture...Gary Gagliardi is considered by many to be a leading expert in understanding and using the competitive methods embodied in Sun Tzu's treatise on the art of war." HAROLD MCFARLAND, editor, Reader's Preference Reviews, Midwest Book Review Contents: Preface: Award-Winning Translation 9 Introduction: Sun Tzu's Basic Concepts 17 1 Analysis 31 2 Going to War 45 3 Analyzing Attacks 58 4 Positioning 69 5 Momentum 81 6 Weakness and Strength 93 7 Armed Conflict 109 8 Adaptability 123 9 Armed March 133 10 Field Position 153 11 Types of Terrain 171 12 Attacking With Fire 197 13 Using Spies 209 Glossary of Key Chinese Characters 220 Index of Major Topics 224 About the Translator and Author 226 Art of War Books by Gary Gagliardi .227

...one of the best...internally consistent...a level of knowledge and detail...not present in some other translations. -- Midwest Book , October 2002 Best Multicultural Non-Fiction Title of 2003! -- Independent Publisher's Book Awards Language Notes Text: English, Chinese From the Publisher Buying this book gives you access to the FREE Study Guide on our web site with hundreds of pages of analysis of Sun Tzu's competitive system. While testing your competitive skills, this study guide explains each stanza of The Art of War and Sun Tzu's method for building competitive advantage. To illustrate these ideas, this Study Guide uses examples from current competition in Internet marketing. You can also use this site to download our free art of war screen saver and motivational posters.
