Adam R. Johnson : The Partisan Rangers Of The Confederate States Army before purchasing it in order to gage whether or not it would be worth my time, and all praised The Partisan Rangers Of The Confederate States Army:

0 of 1 people found the following review helpful. A disappointing titleBy Mr R. J. WybrowThis reviewer is interested in the Civil War, particularly in 'Partisan Rangers' (or guerrillas) in Missouri/Kansas, but this volume deals solely with Kentucky and as such was a disappointment. Title aside, it is an interesting book with much on the activities of P.R.'s during the war.

Written by former Confederate General Adam Rankin Johnson, this is his memoirs of his experiences leading up to and during the Civil War commanding Confederate rangers from Kentucky.
