Often cited as one of the most decisive campaigns in military history, the Seven Days Battles were the first campaign in which Robert E. Lee led the Army of Northern Virginia—as well as the first in which Lee and Thomas “Stonewall” Jackson worked together. In this guidebook, the acknowledged expert on the Seven Days Battles conducts readers, tourists, and armchair travelers through the history and terrain of this pivotal series of Civil War battles.

“[The Peninsula and Seven Days], which uses the battlefield itself as a tool for analyzing what took place there, will be of great value to those seeking to understand this pivotal epoch of the war.”—Steven E. Woodworth, author of *Shiloh: A Battlefield Guide*
