**From Brand: Blue n Grey Press : The Photographic History of the Civil War, Volume 2: Decisive Battles; The Calvary** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Photographic History of the Civil War, Volume 2: Decisive Battles; The Calvary:

0 of 0 people found the following review helpful. An informative look at Battles and CavalryBy M. WilsonThis book is a treasure trove of information for those interested in Battles and the Cavalry. I have a better understanding of the Cavalry as my previous studies had been about the infantry since I do living history. My great-grandfather was in the 6th Indiana Cavalry and I learned much about his life in this branch of service.0 of 0 people found the following

review helpful. Critical buyerBy Critical BuyerGreat book.1 of 1 people found the following review helpful. Good readBy tllf anyone wants to know the full history of the civil war through pictures, this is the book! I recommend all 5 volumes in the series.

Volume II.The Photographic History of the Civil War was first published in 1911 to commemorate the fiftieth anniversary of the great conflict. Extremely popular then, it has become a rare book. Here, in five double volumes, is the complete and unabridged original edition, text and photographs carefully reproduced in the original format and full size.
