**Edmund S. Morgan : The Puritan Dilemma: The Story of John Winthrop (Library of American Biography)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Puritan Dilemma: The Story of John Winthrop (Library of American Biography):

0 of 3 people found the following review helpful. bookBy Tracey KennedyI needed this book for summer reading for

my son. I was very pleased to find it on used at a great price and great shipping. Thanks!!0 of 5 people found the following review helpful. Pages missing!By Disel SpahijaEven though in the description said "Very Good Condition", it wasn't. Some pages were missing and the hardcover was all scratched and torn. Really disappointed!0 of 5 people found the following review helpful. One StarBy Jordan WootenTerrible

Caught between the ideals of God's Law and the practical needs of the people, John Winthrop walked a line few could tread. In every aspect of our society today we see the workings of the tension between individual freedom and the demands of authority. Here is the story of the people that brought this idea to our shores: the Puritans. Edmund Morgan relates the hardships and triumphs of the Puritan movement through this vivid account of its most influential leader, John Winthrop. The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where figures in history are explored. Paperback, brief, and inexpensive, each interpretive biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life. In addition, each biography relates the life of its subject to the broader themes and developments of the times.
