Susan Jeffords : The Remasculinization of America: Gender and the Vietnam War (Theories of Contempo)

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Remasculinization of America: Gender and the Vietnam War (Theories of Contempo):

In this book the author examines representations of the Vietnam experience in film, oral history, novels, and short stories and finds that the media have helped remasculinize, or regender social relations. She argues that the war, instead of leading to a reexamination of the US value system, has spurred a revitalization of the traditional values of capitalism and bourgeois individualism.
