Really Nice BooksBy Andrew Francis MartinNot only was the description of the volumes correct as advertised, but I am very happy to have an original, first year publication. The length of time for shipping was extremely short, like about 3 days after ordering until I received the books. The books were very carefully packed too.2 of 2 people found the following review helpful. Was the book i wantedBy Pen NameWas the book i wanted alot of the pics was scribbled out and alot more pages was ripped and some were taped back and some were repaired correctly. Overall i like the cause for which it was sold. I just feel it should of been described better.
