Charles R. Nuckolls Jr : The Roses: The Nuckolls Family, the Lyman Family, and One Hundred Fifty Immigrants Who Helped Shape America before purchasing it in order to gage whether or not it would be worth my time, and all praised The Roses: The Nuckolls Family, the Lyman Family, and One Hundred Fifty Immigrants Who

Helped Shape America:

0 of 0 people found the following review helpful. I purchased this book to use as a reference to ...By Groovy GrandmaI purchased this book to use as a reference to my family tree. I found the stories and back ground info very interesting. The reason I gave it 4 stars is the book jumps around and it is a little hard to follow which branch of the tree is being discussed.2 of 2 people found the following review helpful. Explains how America was founded on people looking for something greaterBy Midwest Book ReviewWhat drives people out of their homeland and towards America? "The Roses: The Nuckolls Family, The Lyman Family, and One Hundred Fifty Immigrants Who Helped Shape America" traces the history of two early immigrant families who came to America as author Charles R. Nuckolls tries to help readers understand America through families who have lived in it through the centuries. Explaining why they came here, "The Roses" explains how America was founded on people looking for something greater.0 of 0 people found the following review helpful. It should be noted that the book has some errors ...By OvertonIt should be noted that the book has some errors in dating. With regards to families not Nuckolls or Lyman, it appears the author's research has been something less than rigorous and perhaps a little too cavalier.

Explore the history of immigration to the United States through the eyes of two of its earliest families-the Nuckollses and the Lymans. Charles R. Nuckolls Jr. examines the religious strife, war, and other problems that forced his descendants and others to flee to the New World. His examination of his family's role in historic events provides a framework for understanding the Declaration of Independence, the U.S. Constitution, and the beginnings of government in the United States. The Roses presents the history of the Lyman family in New England and then follows the Nuckolls family of Virginia as they head west. It will take all of their strength and courage to survive financial panics, wars, and social upheavals. An examination of the roles the Lymans and Nuckollses played in the founding of various colonies, the American Revolution, and other important events helps convey the important position immigrants held in the development of America. Take a detailed look at how immigrants contributed to the rise of America and how they survived difficult times in *The Roses: The Nuckolls Family, the Lyman Family, and One Hundred Fifty Immigrants Who Helped Shape America*.
